The prices listed above are for upgrades from the same version to the same version (e.g. single user to single user upgrade). If you need to change versions, please contact us at 1.800.759.1321. If you are unsure of which version you have, please select HELP and ABOUT LYTEC from the toolbar in your Lytec software. If you are using any third-party links or EHR software, you may need to contact the vendor for an upgrade as they may not be compatible with Lytec 2021. There will be GA & AZ sales tax (only applicable for practices located in Georgia & Arizona) added to your total. Software will be made available to download. The purchase of software does not include support, computer hardware, installation, data conversions, training, customization, or clearinghouse configuration outside of MediPro's preferred EDI vendors.

***If you are not currently enrolled in online eligibility, additional services and fees will apply.**

****Lytec client server versions no longer include Microsoft SQL. If you are on an older version you may need to purchase SQL licenses.**

Credit Card Authorization – Undersigned hereby agrees and authorizes MediPro, Inc. to charge the following card in the amount listed upon receipt of this order form. If you wish to pay by EFT, please contact us. Invoices will be processed and your account will be charged upon receipt. Lytec 2021 will be available for download sometime in March 2021. There are **no refunds or exchanges**.
